# What are the baseball rules?

by: Lars

2 teams with 9 players in each team

When the attacking team throws the ball and the defending team catches it the ball is out

When you miss 3 times its out

When he is tipped out when he isn't at a honk he is out

3 times out and the teams change

When he is branded out

When its a dvingly walk he needs to run and he can be tipped out.

2 men at a honk can't be

Only the attack team can score points.
